

In Loving Memory...

Philippians 4:6-7

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

The family wishes to express their sincere gratitude to the following for their support and kindness in her treatment: Dr. Nayyer Iqbal (oncologist) and the Saskatoon Cancer Center, Dr. Jim Johnson and Dr. Patricia Campbell (family doctors), the doctors and nurses of the BUH ER and ICU, BUH COPS and Home Care Nurses.

Canadian Cancer Society, or Samaritan's Purse Canada

Interment

Hoffnungsfelder Mennonite Church Cemetery, Glenbush, SK
Officiating : Rev. Kevin Mullin

Life Story

Michele was born in North Battleford and grew up on a farm near Wilkie, Saskatchewan, as the first child to Iver and Darleene. Michele accepted Jesus as her personal Savior as a young girl, and she lived an intentional life serving Jesus. She attended the University of Saskatchewan and after two years, was accepted in the College of Veterinary Medicine. She met and married Elmer in 1986 and quickly after graduation started a family of five kids Shayleen (1989), Trislyn (1992), Taisley (1995), Taegen (2000), and Keegan (2003). She dedicated her life to their needs as a stay-at-home mom and used her veterinary knowledge on the farm.

She attended Life Church (formerly Emmanuel Pentecostal Fellowship) for most of her adult life. She first got involved in the church as youth leader alongside Elmer. She later dedicated herself to kids ministry and followed her calling of leading children to Christ, through children's church, vacation bible school, kidzone, and object lessons. She headed up an annual kids carnival in town for several years: games, prizes, food, and drink were absolutely free of charge for the 400 some kids who also got to hear of the free gift of salvation. She would get excited about object lessons and the chance to instill biblical truths in anyone who would listen.

She had a giving heart and a personality that lit up a room. She was the official decorator, always willing to jump in head first to decorate for mystery suppers at the church, weddings, and birthdays.

She loved her kids with all of her heart but made it known several times she was really looking forward to grandchildren. She became a grandma in 2020 when Davin was born and he called her "Gram." This past year has been very exciting for her with Sienna, Pedro, and now baby Noah's arrival.

Michele fought a long and courageous battle with cancer. She was first diagnosed in December 2007 and then got her second diagnosis in April 2020. She fought so hard, not because of fear of death, but so she could spend every precious moment she could with her family. Even until the very end, she exhibited wisdom, hope, and God-given strength.
