

family and extended family, eating at the restaurant and visiting with friends, bowling, traveling, senior retreats at Camp Kadesh, etc. Mom & Dad enjoyed life together!

Elaine died of cancer in 1988. Understandably, this was very hard for both Mom & Dad.

When the new condominiums were built in Dalmeny in 1994, Mom & Dad were excited about moving in and they enjoyed living there until Dad passed away on August 30, 2006. They had been married for 59 years. Mom missed him dearly but was thankful that he was no longer suffering and that he had gone to be with the Lord.

One month later, Mom moved to the Villa. She said, "the food is good and I have good friends." It was a good move for her.

Throughout Mom's later years she experienced a good number of significant health difficulties but gradually recovered each time. In 2016, following a hospitalization, it became necessary for her to move to the Spruce Manor Special Care Home where she was well looked after.

Mom loved people, she had an enthusiasm for life and was always looking forward to the next "event", she took an active interest in the lives of her children, her grandchildren, and her great grandchildren and she prayed for each one of us!

Although Mom's physical health was declining over the past few years her memory was good and she loved to visit. She continued to trust in God and she began to express her desire to go Home to be with Jesus.

We as a family understood at the end of November that Mom's health was declining and she was approaching the end of her life here on earth. We are thankful for the opportunity to visit with her in person and by telephone during her last few weeks. Early in the morning on Christmas Day, God gently took Mom Home to her eternal rest.

We will miss her but we are thankful for her life and for her impact on each one of us.

## Life Story

Linda Boehr (nee Janzen) passed away peacefully at the Spruce Manor Special Care Home in Dalmeny, SK, on December 25, 2020, at the age of 97.

Linda was born on April 4, 1923 to Henry M. & Margaretha Janzen. She weighed 3 1/2 pounds at birth so her parents placed her in a size 11 shoe box and kept her warm by the wood stove. Ten months later, Linda's mother died.

Almost two years later Linda's father married Katharina Neufeldt and Linda once again had a mother who loved her and cared for her. Five sisters were added to the family in the next few years and Linda grew up in a household of six girls on the farm at Eigenheim where she attended church and school. She said she was always glad her Dad got married again.

During her teen years, Linda accepted Jesus Christ as her Savior. Her personal relationship with God was a constant source of strength throughout her life.

Linda met a young man named Sam Boehr as she was going into church one Sunday evening. She said "it was love at first sight!" They were married on August 10, 1947.

Dad & Mom lived on her parents farm at Eigenheim for the first three years. Their first daughter, Elaine, was born in 1948 with spina bifida and required surgery at seven days after birth. Mom said "we always encouraged her" and Elaine gradually progressed.

In 1950 they moved to a farm at Wurtzburg, south of Dalmeny. Charles was born in 1951 and Mom said, "this was different, he was a handful." Jenny was born in 1952, "so then I had two babies." Wes was born in 1955 "and he was a big baby and it took a long time to recover." She chose to trust God with all four of their children.

In 1958 Dad & Mom began attending the Dalmeny Bible Church, and this became their home Church!

In 1961 they moved to the town of Dalmeny and Mom worked at the Old Age Home. Mom & Dad started turkey farming near Dalmeny in 1975. In 1986 they retired and bought a house in Dalmeny. They adjusted well to retirement, enjoying time with
