

Mom may be best known for her wit and sweet character. She had a kind and gentle spirit and genuine love for all she met. She was positive and thankful regardless of her circumstance, quick to listen, slow to speak, and slow to anger. As children, we remember mom on her knees at her bedside nightly. As adults, we remember her open Bible beside her favourite chair. Mom had an unwavering faith that has now been rewarded as she sees Jesus face to face.

Mom was diagnosed with Parkinson's in 2011. This changed her life a lot and soon they were spending much more time at home. Nettie moved into Langham Care Home on February 18, 2015.

Mom will be greatly missed by her loving husband of more than 65 years, Abe and their loving children: Jake (Lorraine) Neufeld of Aberdeen; son-in-law Terry (Gwen) Hamm of Pike Lake; George (Lorrie) Neufeld of Saskatoon; Anne (Ed) Giesbrecht of Nipawin; Marge (Les) Wear of Saskatoon; John (Leona) Neufeld of Warman; Martha (Don) Hamm of Osler; 17 grandchildren, 28 great grandchildren

Mom was predeceased by her parents, all her siblings and many in laws, daughter Gertie, son Julius, and granddaughter Vanessa.

We the family thank everyone who showed their love and support in prayer. A special thank you to the staff at Langham Care Home for taking care of Mom and loving her so well. It was so wonderful to see how she was cared for her in this past week.

John 14: 1-3 "Let not your heart be troubled; you believe in God, believe also in Me. In my Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also."

Life Story

Nettie Neufeld of Langham Care Home passed away February 18, 2021 at the age of 86 years, 8 months and 22 days.

She was born on May 27, 1934 to Jacob & Barbara Guenther. She lived most of her years in the Aberdeen district. Mom was baptized upon the confession of her faith in the Bergthaler Church in May 1955.

Mom & Dad were married on July 24, 1955. A year later they had their first child. In total they were blessed with eight children, four boys and four girls. They raised their family on the farm by Aberdeen. She loved life on the farm and taught all of us to help out with various chores. Mom loved the outdoors and took pride in having a good garden. Berry picking was another love of hers. Every summer we would drive many miles to get the best saskatoons. We could only think of going home once the huge car trunk and all the containers it could hold were filled to the brim. After berry picking came the preserving. Needless to say, she was a hard worker.

Mom & Dad moved off the farm in 1981 to a yard by the Clarkboro Ferry where Dad had taken on the job of Ferry Operator. They made another move to Osler in fall of 1998 when Dad retired from his job at the ferry.

After retirement they started to go camping and fishing with other friends. Mom also took on some volunteer work at the MCC and continued her love for all kinds of handwork and reading.

She loved her family dearly and the family loved her. There were many Sundays where we would all show up at the house to be with them and with each other. Growing up we learned how to get food ready for unexpected guests, she was always ready for all of us to show up. She loved having people over and offering lunch.

Mom was especially delighted when her grandchildren came for a visit. Her face would light up at sight of any one of them. The fuller the house became the happier she was.
