

enjoyed the moment, never taking anything for granted. She was proud of her family, and would be more than happy to tell anyone the achievements her husband and children had accomplished.

Lil loved to travel, and experience what the world had to offer. She loved her siblings, parents and Walter's family very much. She always enjoyed getting everyone together for family gatherings over the years. Keeping in touch was always important to Lil. She really loved giving and receiving hugs.

Lil will be dearly missed by her family and friends. Her love of life and laughter will forever be remembered. Rather than saying goodbye, we can say "Till we meet again in Heaven".

She is survived by her husband Walter Baerg; children Shannon Baerg (Victoria, BC) and Cameron & Meghan; grandchildren Anneke & Theo Baerg (Victoria, BC); her siblings Harvey (Kathy), Alice, Bernice (Bob), Arnold (Janet), Ed (Edna), Irvin (Betty), George (Marlene) Dennis (Bonnie), Marvin, Ruth (Norbert), Clarence (Karen) and sister-in-law Helen Geransky. Lil is predeceased by her parents Frank and Susie Geransky, and her brother Elmer and brother-in-law John Fehr.

Life Story

Lil was born on January 10, 1940 in Saskatoon. She was the 5th oldest in a family of 13 children.

Lil grew up on a farm East of Hepburn, and attended Parker School from Grade 1 to 8. When Lil was old enough, her daily chores were to milk the cows before school and help her younger siblings get ready for school.

Lil wanted to attend high school after Grade 8, however her parents required her to continue doing chores and taking care of her younger siblings on the farm. Years later, through her determination, she completed her GED program and received her high school diploma.

In 1958, when Lil was 18 years old, she moved to Saskatoon. Shortly after that, she was baptized and became a member of City Mission Chapel (West Portal Church). Her faith in God was unwavering throughout her life. She always prayed for her family, friends, and others.

Lil met Walter while attending West Portal Church. Their first date was a double date to the stock car races. Then she went to Brier Crest Bible School for 1 year. She quite enjoyed bible school and made some life long friends during that time.

After Bible School, Lil and Walter continued dating and married on June 28th, 1962. Lil and Walter bought their first house in Eastview in 1966. Their first child, Shannon came into their life in 1969, and Cameron followed in 1972. Lil was a supportive, loving spouse, and mother. She gave her children many opportunities to play sports, music, and travel.

Lil had various jobs such as working at the Bessborough Hotel, City Hospital, and some retail jobs, like The Bay. Lil worked at Central Haven Nursing Home, where her mother became a resident. Lil worked there until she retired.

Lil was outgoing and easily made new friends. She always had a positive outlook on life. She loved activities such as reading, biking and swimming, in which she would make regular trips to the pool to do laps. She loved to laugh, have fun and always
