Life Story

Reuben was born on February 5, 1937. He was the second oldest of seven children. He was born in Drake, SK, and as a young child moved to Ontario with his parents. After public school he went to a Christian high school. School was not easy for him, so in his later teens he found a job and started saving money to come to Bethany Bible School in Hepburn, SK. In 1959 he came to bible school and that is where we met. We were married in March of 1961, and enjoyed our 60th Anniversary in March of 2021.

Reuben committed his life to his Lord and Saviour during his teen years, and his faith took him through many challenges, but he remained faithful. His hunger to read God's word and pray the last while was so encouraging.

Reuben was a hard worker and provided well for his family. He enjoyed trucking and learned quickly how to drive those semis. At first it was city driving but then got opportunities to drive longer distance, either hauling cement from Alberta or groceries in SK. When Motorways closed, he decided to buy his own truck. He traveled thousands of miles. His last long haul started in 1995 when he bought a ¾ ton truck and hauled R.V.s from factories in Indiana and Ontario to dealers all over Canada. Montreal was not his favorite province to go to.

After he finished doing that he just spared for a company here in the city and he was at home, which was so good. His yard and his driveway were so clean and manicured. People envied his yard. He enjoyed wood working, golfing and 10 pin bowling. He
