Memorial Service for

## *Stanley James Nickel*

July 22, 1948 – October 7, 2022

At the Affinity Community Hall in Langham, SK

On November 12, 2022

Stanley James Nickel died very peacefully, the evening of October 7<sup>th</sup>, 2022. He was predeceased by his father and mother, Arthur and Lillian Nickel from Aberdeen, Saskatchewan, and by his brother in law, Robert Bueckert.

Stan was one of seven siblings - the second child and first son of Art and Lill. He leaves an older sister, Eleanor (Don) Funk, three younger sisters – Audrey (Dennis) Ens, Charlotte (Roger) Bueckert, Laura (Robert) Bueckert and two younger brothers – Jonathan Nickel and Lyndon Nickel, as well as nephews and nieces and lots of cousins.

Stan was raised on a farm north of Aberdeen. His first years of education were spent at a one-room school. After an early exit from high school he attended Swift Current Bible School.

The skills he learned, along with those gifts he naturally had, led Stan through a lifetime of adventures.

He loved his new home in Leask. That is where he may have done his best living and we know, his best dying.

He will be missed.
